

THE ART OF MARK ROTHKO

Mark Rothko uses blocks of colour to
express meaning

What 2 colours would you use to
depict your sense of God today?

Find the colours you want to use, and
make a simple 'Rothko style' image

**DON'T READ ANY MORE UNTIL
YOU'VE DONE IT!**

Now compare the colours you have
chosen for your image with the clothes
you are wearing today

Reflect on the difference or similarity
and on what that might say about
you & God
